MEMORANDUM

TO: Probate Judge/License Commissioner

FROM: Capt. B. R. Huffaker, Chief Enforcement Officer
 Alabama Marine Police

RE: Changes in Registration Law

As you are aware, the Legislature passed Act No. 2007-420 (HB256), changing the fees charged on boats registered in Alabama. I would like to take this opportunity to thank you for all of your efforts in getting this bill passed and also for the superior work that you and your staff do on behalf of the Marine Police Division.

I have attached a copy of the bill and listed the registration fee changes below:

<u>Vessel Class</u>	<u>Registration Fee</u>	<u>Issuance Fee</u>	<u>Total Registration Fee</u>
Class I - less than 16'	18.00	2.00	20.00
Class II - 16' to less than 26'	23.00	2.00	25.00
Class III- 26' to less than 40'	73.00	2.00	75.00
Class IV- 40' and over	98.00	2.00	100.00
Transfers	3.00	2.00	5.00
Replacement/Duplicate Certificates	3.00	2.00	5.00

There is not a provision in the law to charge for replacement decals. However, if a replacement decal is needed, a new (duplicate) certificate will need to be generated with the new decal number on it, so the \$5.00 charge for a replacement certificate would be in effect. At this time, please send copies of all decal replacement certificates to this office, so notations can be made on the original certificate on the master file.

Again, thank you for all of your hard work and support. If you have any questions or I can be of assistance, please feel free to call me at 334-242-3678.
