PROPERTY TAX BILLS – CHANGE IN RETURN ADDRESS

BALDWIN COUNTY, AL, September 24, 2013 – Property owners should be receiving their property tax bill the first week in October, 2013. The return address will be different from what has been used in the past. In order to serve tax payers more efficiently, a change has been implemented that will process payments much faster. Your payment will be mailed to Atlanta, Georgia, where it will be processed and posted as paid overnight.

Property owners have complained about the slow processing of payments and we hope this change will expedite the procedure. There will be instances where payment(s) do not post overnight. We will be working diligently to process these payments in a reasonable period of time. Should you have any questions relating to this change please do not hesitate to contact the Baldwin County Revenue Commission at any of our following offices.
