

Coastal Alabama Onsite Sewage and Disposal System Online Workshops

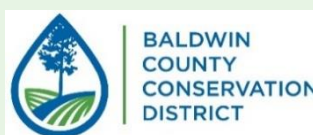

These free one-hour workshops will let you know:

- how to properly maintain your septic tanks;
- about land use and non-point source pollutants; and,
- upcoming projects, inspections, funding, and more!

| Date | Time | Focus Area |
|-------------------|-------------|-------------------|
| Wednesday, May 20 | 10:00 AM | Mobile County* |
| Wednesday, May 27 | 2:00 PM | Baldwin County* |

**If you would rather watch a video of the workshop on your own time, please send an email to the address listed below saying which county focus area you would like.*

**To get your free workshop access link, please contact
ACF Coastal Relations Coordinator Toni Thomason:
tthomason@joinACF.org OR (251) 990-6002**

Funding provided in part by the US Environmental Protection Agency under Alabama Department of Environmental Management (ADEM) assistance agreement BG96464616. Additional support has been provided, in part, by the National Oceanic and Atmospheric Administration through the joint efforts of the Alabama Department of Conservation and Natural Resources-State Lands Division Coastal Section and the ADEM-Mobile Branch and Coastal Section.
