This program is designed to assist you in providing for the health, well-being and financial security of you and your covered dependents. Helping you understand the benefits Baldwin County offers is important to us and that is why we have created this Employee Benefits Guide.

Overview

This guide provides a general overview of your benefit choices to help you select coverage that is right for you. Of course with choice, comes responsibility and planning, so please take time to read about and understand the benefit plan, and enroll on time. Included in this guide are summary explanations of the benefits and costs, as well as contact information for each provider.

It is important to remember that only those benefit programs for which you are eligible and have enrolled in apply to you. This guide is not intended to cover all provisions of all plans but rather is a quick reference to help answer most of your questions. You can obtain full policy documents from Human Resources for complete plan details. We hope this guide will give you a clear explanation of your benefits and help you be better prepared for the enrollment process.

ELIGIBILITY & ENROLLMENT

WELCOME TO YOUR NEW EMPLOYEE BENEFITS

WHO IS ELIGIBLE

All full-time associates working at least 40 hours per week are eligible for the full range of benefits provided by Baldwin County. You may also enroll your eligible dependents.

*Active part time employees may be eligible for some of the benefits listed in this guide. Contact the Personnel Department to inquire.

EFFECTIVE DATE OF COVERAGE

Most of the benefits described herein begin on the first day of the month following 30 days of full-time employment with Baldwin County.

WHEN TO ENROLL

Benefit eligible associates initially have the two following opportunities to enroll in the associate benefits program:

NEW HIRE ENROLLMENT. New hires have thirty days from their date of hire to enroll in Baldwin County's benefit coverages. Most plans become effective first of the month following the first full month of employment. Associates not enrolling during this period must wait until the next open enrollment to elect coverage (Evidence of Insurability forms may be required for certain coverages).

OPEN ENROLLMENT. Employees can change their benefit elections during our Annual Enrollment Period, October 14, 2024 to November 10, 2024. Employees may also increase their supplemental life coverage (up to 2 increments without EOI) and/or enroll in other available voluntary benefits. Some of these will require submission of Medical Evidence of Insurability. Any changes made during this period are effective on January 1, 2025 (or the date EOI is approved).

WHEN YOU CAN MAKE CHANGES

Due to IRS regulations, once you have made your elections for 2025, you cannot change your benefits until the next Annual Enrollment Period. The only exception is if you have a qualified change in family status. Election changes must be consistent with your status change. If you experience one of the following qualified events, you will have the option of changing your benefits.

Qualifying Events:

- Marriage, legal separation, or divorce
- Birth or adoption of child
- Change in employment status (including spouse)
- Change in a dependent's benefits eligibility status (e.g., a dependent child exceeding the maximum age for coverage)
- A significant change in the cost or coverage of your spouse's benefits
- Loss of a dependent (death)

If you have a life event change, you must submit notification Human Resources at bri.shealy@baldwincountyga.gov within 30 days of the qualifying event. Depending on the type of change, you may need to provide proof documentation (for example, a marriage license or birth certificate). If you do not submit notification within 30 days, you will have to wait until the next annual Open Enrollment period to make benefit changes.

WHEN COVERAGE ENDS

All coverage ends at the end of the month following termination.

The Medical FSA includes a carry-over provision, which allows you to carry-over up to \$660 in unused account balance dollars to the following plan year.

Remember to estimate your annual medical costs carefully when electing your FSA amount, as any funds over the new carry-over provision limit are subject to the “use it or lose it” rule of FSA’s.

FLEXIBLE SPENDING ACCOUNT (FSA)

FLORES & ASSOCIATES

GROUP #: 10002800 (MEDICAL) & 10002807 (DEPENDENT CARE)

Baldwin County offers Flexible Spending Account (FSA) benefits that allow you to save money on your eligible health care and/or dependent care expenses every year by using pre-tax dollars. **This is the only benefit election that does not automatically roll over, your FSA contribution must be re-elected every year.** Enrollment forms will be available at the Annual Health & Wellness Fair or you can obtain coverage information/enrollment forms by contacting Human Resources.

HOW IT WORKS

Upon enrollment, you choose the dollar amount you want to contribute based on your estimated upcoming Plan Year expenses, up to \$3,300. Your contributions will be deducted in equal amounts from 24 paychecks, pre-tax, throughout the Plan Year.

Reimbursements and the Debit Card – As you incur eligible expenses, you may submit a request for reimbursement through Flores’s website, text message, mobile app, fax, or mail. For additional convenience, you will be issued a Debit Card to directly access your flexible spending account funds when paying for eligible expenses at the point of purchase. This eliminates the need for requesting a reimbursement. Keep in mind that some purchases will always require additional substantiation as most Doctor’s offices, Hospitals, Dental Providers, and some Drug Stores do not utilize the Inventory Information Approval System (IIAS). Make sure you keep your receipts for verification purposes.

FSA Eligible Expenses – Flexible spending account FSA funds may only be used for eligible expenses under your healthcare FSA and/or dependent care FSA. Some eligible expenses include: medical care, dental care and vision care expenses. Complete lists of eligible and non-eligible expenses can be found by visiting www.irs.gov.

Lower your taxable income by paying for your health care and dependent care expenses with pre-tax dollars!!

Dependent Care FSA— The Dependent Care FSA enables you to pay for out-of-pocket qualified daycare expenses that allow you and your spouse to work or attend school full time. Two parent households can only utilize Dependent Care Reimbursement flexible spending accounts if both parents work outside of the home.

Qualified Dependent Care arrangements include:

- Dependent (Day) Care centers
- Educational Institutions for pre-school children
- An “Individual” who provides care inside or outside your home (with appropriate licensing and Tax ID number)
- After School Care

You may contribute up to \$5,000 to your Dependent Care FSA if you are married filing a joint tax-return or you are head of the household. You and your spouse may each contribute up to \$2,500 if you are married and filing separate tax-returns.

The IRS requires that you substantiate:

- Dates of Service
- Dollar amount incurred
- Day-care provider name
- Day-care provider signature

Please Note: Day-care expenses must be incurred (not just paid) in order to receive reimbursement. If you prepay day-care, please submit only as incurred.

VOLUNTARY LIFE RATES

The monthly rates for Voluntary Life insurance are based on age. Your life insurance rate is based on your age, and your spouse's life insurance rate is based on their age. All children have a flat rate regardless of age & number of eligible children covered. Premiums are paid through payroll deductions on an after-tax basis. Your cost automatically adjusts each year in January to reflect the age-banded rates listed below.

AGE BAND	EMPLOYEE & SPOUSE RATES <small>PER \$1,000 OF COVERED VOLUME</small>	EXAMPLE: 35-YEAR-OLD ELECTING \$80,000 IN OPTIONAL LIFE COVERAGE	
Less than 30	\$0.060	Step 1	Find your age bracket in the rate grid to the left.
30–34	\$0.060		Step 2 Multiply the number of thousands of voluntary life coverage that you wish to elect, multiplied by the applicable age-banded rate to determine monthly premium. *Note: rates are based per \$1,000 of coverage Vol Life: 80 x \$0.09 = \$7.20 / month
35–39	\$0.090		
40–44	\$0.123		
45–49	\$0.187		
50–54	\$0.297		
55–59	\$0.520		
60–64	\$0.660		
65–69	\$1.270	Step 3 Multiply the total monthly premium by 12 months, then divide it by 24 to determine your cost per pay period: Ex: \$7.20 x 12 = \$86.40 ÷ 24 = \$3.60 per pay period	
70+	\$2.108		
Child Rate	\$0.100

55-59	\$0.411
60-64	\$0.500
65+	\$0.567

Example: 35 Year Old – Electing STD	
Step 1	Annual Salary ÷ 52 x 60% = Weekly Benefit \$50,000 ÷ 52 x .60 = \$500 (\$500 max)
Step 2	Find your age and rate in the chart to the right
Step 3	Multiply your rate by your weekly premium and divide by 10 to determine monthly premium \$0.249 x \$500 ÷ 10 = \$12.45 per month
Step 4	Multiply your premium by 12 and then divide it by the number of pay periods (24) to determine the cost per pay period. \$12.45 x 12 ÷ 24 = \$6.23 per pay period

DEFERRED COMPENSATION PLANS

RSA-1 AND NATIONWIDE

Baldwin County offers two deferred compensation plans, sometimes referred to as a 457 plan. These benefits are provided through RSA-1 and Nationwide.

Under a Deferred Compensation Plan, employees may elect to defer receipt of a portion of his or her salary until a later determined date, usually at retirement or other termination of service. Because receipt of the income is deferred, the deferred income is NOT included in your federal or state gross taxable income.

The deferred income is paid into RSA-1/Nationwide account and invested for your benefit. Investment earnings are accumulated in the fund and like the deferred income, are not subject to federal or state income taxation until distributed to the employee. Deferred income and the investment earnings are held in the participant's account for the exclusive benefit of the plan participants and their beneficiaries.
