

Dear Baldwin County Employees:

In case you weren't aware, as a result of our corporate contractual partnership with AT&T, all employees of Baldwin County are eligible to receive a **15%** discount on all eligible Monthly Recurring Charges for new or existing service with AT&T! (Unlimited plans do not qualify for this discount)

To get this benefit and **you are a new subscriber to AT&T** you can:

Visit any Corporate Owned AT&T Retail Store (not an "agent" or national retailer like Best Buy); provide them the Sponsorship Foundation Account Number (FAN) **3926345**, as well as either a employee ID or recent pay stub. Business cards will not be accepted. The store rep should help you fill out the employee validation form and fax it for you to help you get your discount.

If you are an **existing subscriber to AT&T** and you have a corporate email address, you need to do the following:

Existing AT&T users can receive an **immediate** discount by registering at www.wireless.att.com/business/authenticate/ enter your corporate email address and follow the directions for validation.

Please note the following disclaimers:

While AT&T is a valued corporate partner of Baldwin County, this should not be interpreted as a sole endorsement for your personal use. You have many choices when you choose a wireless provider, and should you choose AT&T, we have made a employee discount available to you. The relationship you establish with AT&T is not tied to our corporate partnership with them, except for the discount available. **You are financially liable for all payments and guarantees, and Baldwin County has no part in that relationship.**

Baldwin County has no part in the escalation or distribution of information regarding cellular use on a personal basis, but is simply forwarding this information to you as a courtesy. **Please refer all inquiries regarding your personal service with AT&T to the Premier site, a retail store, or by calling 800-331-0500.**

Thank you.

Sincerely,
Angela Jones
