

Filling Your Prescriptions

FAST FACTS

- **Generic prescriptions are \$0.** Any generic prescription written by a Vigilant Health provider will be at ZERO cost to you.
- **Use the pharmacy you like best.** MedOne does not require you to use a specific pharmacy. Use your favorite! Costs may vary from pharmacy to pharmacy. You can find the cheapest one by accessing the MedOne Member Portal.
- **Mail orders cost the same as local pick-up.** There is no cost difference between the two. Let your provider know if you prefer your maintenance medications to be mailed to your house and we will set that up for you!
- **Diabetic supplies are covered.** Diabetes test strips and pen needles have a \$0 copay.
- **Want more details?** See the attached brochure for more information.
